MEMORANDUM FOR: Director of Personnel

SUBJECT : Reimbursement to the Services for all
Assigned Military Personnel

REFERENCE : Memo dtd 4 Jan 57 to DD/S fr D/Pers,
same subject

1. Despite the validity of the reasons advanced in the referenced memorandum for reimbursing the Department of Defense for all military personnel assigned to the Agency, I would suggest that we take no action in this direction at this time. If the Department of Defense should request such action or if the administrative and security problems become more troublesome than they now appear, we can reconsider the matter.

2. My foremost reason for not favoring this step is a practical one, i.e., we are trying to keep our budget as low as possible and this would entail a half-million dollar increase.
